

# WASHINGTON STATE PARKS

## FIRE RESTRICTIONS AND PARK CLOSURES

*As of 8:30am, August 12, 2021*

State Parks is putting fire restrictions in place to help avoid human-caused wildfires. Because each park area has unique recreation use, access, topography, vegetation and forest cover, and experiences different climates, weather patterns and moisture contents, State Park Regions establishes their own timeline for when to tighten fire restrictions.

With current conditions extreme and dangerous, the following are prohibited in ALL eastern Washington State Park areas:

- Campfires
- Open flames of any type
- Smoking

Below is a list of current closures in eastern Washington.
