

12:01:21 From Peter Mayer : Hey everyone! We'll get started in a minute or so.

12:01:40 From Al Vorderbrueggen : Thanks, Pete -- you are the best!

12:01:54 From Al Vorderbrueggen : You too, Travis!

12:03:55 From Travis Stombaugh to Peter Mayer(Privately) : Pete do we have a note taker?

12:07:30 From Peter Mayer to Travis Stombaugh(Privately) : no. I'm gonna try...but won't be 100% reliable.

12:19:04 From Nicole Rose : Thanks, Paul, and all, for all that you are doing!

12:33:05 From Roxanne Miles :

12:34:49 From Judy Bunkelman : Debbie advises she tried to get on but couldn't get through.. She apologizes but also wants you to know she will share any info she has as needed.

12:35:34 From Peter Mayer : Thank you, Judy.

12:35:46 From Cindy Johnson : Hi Judy! I'd be curious to learn more about how the Outdoor Preschool is running - could I get her contact info? Thanks! Cindy Johnson, City of Redmond (cjohnson@redmond.gov)

12:38:19 From Doug Levy - Regional Affairs Consultant, Renton to Peter Mayer(Privately) : I thought one of the big issues for our parks and rec orgs that do child care was to be able to be licensed and thus be in line for funding subsidies? Am I remembering that wrong? What is the crux of what local parks and rec folks need??

12:38:25 From Cindy Johnson : Judy responded (and I figured out the private chat) - thanks! CJ

12:45:36 From Roxanne Miles : CARES funding will end at the close of 2020, but if we launch programs this fall, we need to know they can continue through 2021.

12:46:04 From Mary McCluskey : Are any other cities doing Phase 2 or Phase 3 indoor preschools this fall? Would like to brainstorm if you'd like! Thanks - Mary mmcluskey@cityofpoulsbo.com

12:50:00 From Jeff Betz Mountlake Terrace : That's a great question. I only see 16 organizations that have replied so far on the spreadsheet and only 8 have preschool listings. Is anyone doing preschool when their school district is doing remote learning only?

12:51:12 From Allison Krutsinger : Thank you for the invitation. My email is Allison.krutsinger@dcyf.wa.gov

12:51:26 From Angie/Edmonds : REMINDER: Program and Facility COVID Response spreadsheet is available. Contact info on the sheets. 2 tabs - one for programs another for facilities.

12:51:35 From Kurt Dahmen : Pullman is planning on offering preschool this fall as long as we remain in phase 3

12:52:14 From Mary McCluskey : Jeff - We are currently in discussion - no decision yet. Our school district announced all online on Tuesday, so it has narrowed our discussion.

13:01:10 From Jennifer Burbidge : Is anyone requiring cloth face coverings for athletics (ON the field as well as off?)

13:01:30 From Jennifer Burbidge : Lynn, can appreciate your issues we are having the same problems in Lacey at our beach

13:02:09 From Shelley Brittingham : Are people seeing increased unscheduled ballfield use?

13:02:16 From Jennifer Burbidge : yes

13:02:36 From Angie/Edmonds : Almost a mile of Puget Sound beach in Edmonds is creating a challenge as well. Hard to close wide-open beaches. Will be monitoring Kirkland's efforts.

13:02:56 From Jennifer Burbidge : Is anyone requiring cloth face coverings for athletics on the playing field?

13:03:22 From Mary Dodsworth : yes on ballfields - wouldn't leave when asked by staff or police - no safety practices or social distancing. we put out three ecology blocks on each field - 2,500 lbs each. seems to have solved the problem :)

13:04:01 From Shelley Brittingham : We have experienced large groups in the past two weeks playing games with spectators. Groups/teams unknown to us.
