.....

## Know before you go

Research the park or public land you plan to travel to. Check their updates frequently to see if restrictions have changed. Playgrounds and campgrounds remain closed until at least May 20, 2020. Do not use parks if you have signs or symptoms of COVID-19.

2

## Stick with your squad

Only recreate, travel in cars/boats/vehicles with those in your immediate household who are not at high risk.

3

Plan your park outing like you would for a hike. Pack food, water, supplies, hand sanitizer and a cloth facial covering.

# No space? find another place

If you get to your planned recreation destination and it is crowded or looks difficult to maintain social distancing, go to another park so you can stay safe and avoid crowds.

4

.....

# Be considerate of other visitors

Maintain social distancing of 6 feet at all times. This means if you are on a trail, step off to the side to let someone pass or to maintain social distance. If you cannot maintain this distance, wear a cloth facial covering to prevent the spread of COVID-19.
