

HOW YOU CAN HELP

STEP 1: SIGN ON

Head to bit.ly/FullFundingWWRP to sign on in support of Full Funding for the WWRP in the 2023. You can sign on for yourself and for any organizations you represent.

We'll send this letter to Governor Inslee in October and then to Legislative leaders in January. So sign on now for maximum impact!

STEP 2: SPREAD THE WORD

We're aiming to get 1000 individuals and organizations signed onto our letter—that's a lot of names! Help us by:

1. Sharing on your personal social media accounts & in relevant Facebook groups
2. Sharing on your organization social media accounts
3. Sharing with your members via newsletters or action alerts.
4. Raising awareness during organization meetings

STEP 3: ADVOCATE

We're not sure what the legislative session is going to look like next year. Your guess is as good as ours! But, we do know it's going to be a tough budget year and we'll need your help to make the case to your local legislators, whether it's on zoom, in person at your local coffee shop, or down in Olympia! Don't worry, though! We'll give you all the tools you need to do it!
